Bart Vos

Bart Vos studeerde aan de Academie voor Beeldende Kunsten in Den Haag en is sinds jaar en dag de drijvende kracht achter Vos Interieur in Groningen. Zijn bureau voor interieurarchitectuur en productvormgeving staat voor toonaangevende in- en exterieurs in binnen- en buitenland. Sinds 2007 is Bart actief als ontwerper voor Gelderland. Zijn ontwerpen zijn stoer, comfortabel en eigentijds. “Mensen moeten uit het strakke keurslijf van interieurinrichting. Zelf nadenken vind ik heel belangrijk. Hoe wil je je huis en inrichting gebruiken. Ik probeer altijd te komen tot een inrichting die de persoonlijkheid en wensen de bewoners onderschrijft en recht doet aan de omgeving”.

Bart Vos studied at the Academy of Visual Arts in The Hague and has been the driving force behind Vos Interieur in Groningen for many years. His office for interior architecture and product design only employs leading interior and exterior designers at home and abroad. Bart has been active as a designer for Gelderland since 2007. His designs are sturdy, comfortable and contemporary. ‘People must escape the straitjacket of interior design. Thinking as an individual is very important to me. How you want to use your house and interior decorating. I always try to achieve an interior design that endorses the personality and wishes of its occupants and does justice to the environment’.

10 000 van doesburg | Bart Vos

Voor het ontwerp van deze uitgebreide elementenbank heeft Bart Vos zich laten inspireren door de vormen uit het werk van De Stijloprichter Theo van Doesburg. Zo ontstond een functionele, eigentijdse en comfortabele bank met talloze mogelijkheden. De elementen kunnen zelfstandig, in een set of als compleet ziteiland worden gebruikt. De twee verschillende zitdieptes kunnen worden gecombineerd waardoor het speelse karakter van de Van Doesburg nog verder wordt vergroot.

For the design of this extensive sectional sofa, Bart Vos was inspired by the shapes he found in Theo van Doesburg's work, the founder of De Stijl. This resulted in a functional, contemporary and comfortable sofa with countless possibilities. The elements can be used independently, in a set or as a complete seating area. The two different seat depths can be combined, further enhancing the playful character of the Van Doesburg.
